

Course Title: PH101 Beginning Lighting for Photographers

Instructor: Strothman

Date: 10/19-11/2

Day(s): Saturday

Time: 9:00 am-12:00 noon

Note taking materials

Students are encouraged to bring their own DSLR cameras and, if time allows, make some photographs using their newly learned lighting knowledge.

A clothed model will be available for the last 2-hours of the final class meeting.
